Notice to all staff, customers, subcontractors and suppliers

As you will all be aware of the outbreak of Covid 19 (Corona Virus) we would like to reassure you that TiltPro are taking measures to ensure the health and safety of all employees, clients, subcontractors and suppliers.

TiltPro staff and subcontractors who have travelled overseas in the last 14 days or have come into contact with those who have are required to self-isolate for 14 days as per Government requirements.

If you are attending our office you may be asked,

- if you have travelled overseas in the past 14 days
- if you have any flu like symptoms
- if you have been in contact with anyone who has been infected

If you answer yes to any of the above you may be denied access to our site.

If you are attending our site we request that you comply with current recommendations regarding personal hygiene and social distancing (1.5m). Use hand sanitizer or wash hands regularly with soap and water and avoid close contact with others. If coughing or sneezing please use a tissue or bent elbow.

We are applying additional measures at our site to ensure your safety and prevent any exposure and spread of the virus. If clients prefer to have delivery dockets emailed instead of passed on by couriers please send your request to estimating@tiltpro.com.au

We will continue to operate and supply our clients as usual and will not be implementing mandatory shut down unless instructed to do so by the Health Department or Government regulation.

For the latest advice, information and resources, go to www.health.gov.au
Call the National Coronavirus Health Information Line on 1800 020 080. It operates 24 hours a day, seven days a week. If you require translating or interpreting services, call 131 450.

Regards

John K Spence.
